## FLORIDA-FRIENDLY LANDSCAPING PLANTS

The University of Florida IFAS Extension's Florida Friendly Landscaping™ program is an invaluable resource for homeowners and professionals alike to select plants that will benefit our Florida ecosystems as well as thrive in residential settings. For more information visit <https://ffl.ifas.ufl.edu/> or scan the QR code below to download their helpful app.

The list below contains many of the Florida-Friendly Landscaping™ plants commonly carried at Canterbury Farms Nursery & Garden Center
